Annexure B to the Independent Auditor's Report of even date on the members of ERP Soft Systems Limited, on the standalone financial statements for the year ended 31 March 2018.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of

Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of ERP Soft Systems Limited ("the Company") as of March 31, 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India".

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance

Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls

over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the

ERP SOFT SYSTEMS LIMITED

risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

The company has prepared the opening balance sheet as per IND AS as of 1st April 2016 (the transition date) by recognising all assets and liabilities whose recognition is required by IND AS, not recognising items of assets or liabilities which are not permitted by IND AS, by reclassifying items from previous GAAP to IND AS as required under IND AS, and applying IND AS in measurement of recognised assets and liabilities. However this principle is subject to the certain exception and certain optional exemptions availed by the company as detailed below.

Impairment of financial assets

The company has applied the impairment requirements of IND AS 109 retrospectively; however, as permitted by IND AS 101, it has used reasonable and supportable information that is available without undue cost or effort to determine the credit risk at the date that financial instruments were initially recognised in order to compare it with the credit risk at the transition date. Further, the company has not undertaken an exhaustive search for information when determining, at the date of transition to IND AS, whether there have been significant increases in credit risk since initial recognition, as permitted by IND AS 101

Deemed cost of property, plant and equipment and intangible assets

The company has elected to continue with the carrying value of all its Property, plant and equipment and intangible assets, recognised as of 1st April 2016 (transition date), measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

Accounting for Investment in Subsidiary, Joint Venture and Associate

The Company has availed the optional exemption under “Ind AS 101 First time Adoption of Indian Accounting standards” with respect to Investments in subsidiaries, joint ventures and associates. Accordingly, the previous GAAP carrying amount of such investments as on transition date has been taken as deemed cost.

Q. Contingent Liabilities: There are no Contingent liabilities as on date.

First-time adoption- mandatory exceptions, optional exemptions**Overall principle**

The company has prepared the opening balance sheet as per IND AS as of 1st April 2016(the transition date) by recognising all assets and liabilities whose recognition is required by IND AS, not recognising items of assets or liabilities which are not permitted by IND AS, by reclassifying items from previous GAAP to IND AS as required under IND AS, and applying IND AS in measurement of recognised assets and liabilities. However this principle is subject to the certain exception and certain optional exemptions availed by the company as detailed below.

Impairment of financial assets

The company has applied the impairment requirements of IND AS 109 retrospectively; however, as permitted by IND AS 101, it has used reasonable and supportable information that is available without undue cost or effort to determine the credit risk at the date that financial instruments were initially recognised in order to compare it with the credit risk at the transition date. Further, the company has not undertaken an exhaustive search for

ERP SOFT SYSTEMS LIMITED

information when determining, at the date of transition to IND AS, whether there have been significant increases in credit risk since initial recognition, as permitted by INDAS 101

Deemed cost of property, plant and equipment and intangible assets

The company has elected to continue with the carrying value of all its Property, plant and equipment and intangible assets, recognised as of 1st April 2016 (transition date), measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

Accounting for Investment in Subsidiary, Joint Venture and Associate

The Company has availed the optional exemption under “Ind AS 101 First time Adoption of Indian Accounting standards” with respect to Investments in subsidiaries, joint ventures and associates. Accordingly, the previous GAAP carrying amount of such investments as on transition date has been taken as deemed cost.
