MANAGEMENT DISCUSSION AND ANALYSIS**Company overview:**

Management presents herein the industry overview, opportunities and threats, initiatives by the Company and its overall strategy for the future. This outlook is based on the assessment of current business environment, which may vary due to the future economic and other developments both in India and abroad.

(A) Industry Structure and Development:

Refractories are made of naturally occurring minerals, such as bauxite, kyanite, magnesite, fireclay, chrome ore, etc. Refractories are used either where high temperature or high rate of abrasion/ corrosion/ erosion is involved. Lately, however, the industry has been using manmade raw materials, such as brown-fused alumina, tabular alumina, fused magnesia, silicon carbide, magnesia alumina, etc. It has a wide product range and comprehensive to suit the requirement of different industry segments. These are produced in Special Shapes and are Custom made to suit the requirements of the various industries.

Refractory plays a dynamic role not only for metallurgical but also for shaping up chemical and petrochemical, glass, ceramic, cement and limestone industries. Refractory Industry in India is now getting consolidated. Major manufacturers in terms of volume are foreign owned companies.

The turnover of such companies was 60% of total turnover of the Industry. This has brought or is likely to bring several new products and technology in the country for refractories used in steel making. The refractory industry is moving along with a mixed bag of project and maintenance requirement. The raw material pricing and supply continues to wobble. However, the positive trend in projects is taking concrete shape, refractory installation activity is picking up and new facility is nearing completion in some upcoming steel projects.

(B) Opportunities and threats**Opportunities in the refractories industry:**

The refractories industry largely follows trends set by its main driver, the steel industry. Iron and steel production is responsible for up to 70 % of the total demand for Refractories, therefore the profitability of the refractories industry as a whole is strongly influenced by steel production levels and steel plant investments. There is a steep fall in the demand for steel due to a decline in the infrastructure sector, while the short term outlook remains problematic because of the global economic situation; there could be realistic and sustainable growth in steel production and in other key end user industries till 2017. Indeed, there may even be a short- term surge in demand for refractories once confidence recovers because of new capital investment and refurbishment of idled equipment.

Threats in the Refractories industry:

Absence of clear cut policy on iron ore mining has led to closure of steel plants, especially those based on sponge iron as feed material. If this situation continues, the expected growth in steel may not materialize at desired pace. Another major issue for refractory business is from the small scale industries. These industries are expanding their operations at a rapid pace and are presently ready to compete with large scale industries. Also these industries are coping up with the technological changes taking place in the industry and given the amount of support received from the government for their upliftment, these SSIs definitely seem to be a threat in the near future. Your Company is taking steps to take on the challenges and strengthen its brand image in neighboring states as well as in Telangana where the company is already a brand leader. Power remains another major threat to the industry. Severe power shortage and high cost of power in the State has rendered most of the factories very non remunerative.

(C) Segment or Product wise Performance:

Your company operates in only one business segment and one product viz., refractories.

(D) Outlook:

Market outlook in future for refractory seems good. Per capita consumption of steel in India is being far below in comparison to the international standards. It is expected that the demand for increase of domestic steel production will be robust and this will have positive impact in refractory consumption. Growth in real estate and consumer durable sector will lead to increase in cement, glass and special alloys production. This will also necessitate use of better quality refractories. Your Company's effort to keep pace with changing technology which offer superior product will ensure not only retention of existing business but also increase the business volume wherever such products are used.

(E) Risks and Concerns:

India's refractory industry has witnessed a dramatic squeeze in margins amidst poor demand from end users and rising raw material prices. Sudden rise in the price of the raw material is due to dependence of the refractory industry on the raw materials imported from China. It is a matter of great concern as the use of synthetic raw materials is driving the prices of the raw materials higher. Further, the raw material prices have increased from 80% to 85% but the prices of finished products have increased from 18% to 30% resulting in erosion of bottom lines of the refractory companies.

The refractory industry is going through an exciting and complex phase. On one hand, refractory makers are adding capacities with the hope that demand from the steel sector will rise at a fast pace. On the other hand, usage of the new technology processes is leading to reduction in refractories consumption.

A major area of concern is availability of adequately qualified and competent workforce. The industry is facing countless difficulties both in terms of increasing raw material and other input costs as well as the availability, further the negotiating power of the refractory makers is poor mainly due to their size as it caters to the industries which are far bigger in sizes like aluminum, steel, cement etc.

(F) Discussion on financial performance with respect to operational performance:

Your Company has achieved the net turnover of Rs. 2175.40 lakhs as against a turnover of Rs.731.34 lakhs achieved during the previous financial year. The Company has incurred a Net profit of Rs. 63.72 lakhs as against loss of Rs.317.57 lakhs during previous year.

(G) Material developments in Human Resources/Industrial Relations front including number of people employed

It is your Company's belief that the competence and commitment of its people are key drivers of competitive advantage enabling the Company to compete successfully in the market place. Your Company endeavors to strengthen organizational culture in order to attract and retain the best talent and bring out the best in people.

CAUTIONARY STATEMENT:

Statements in the Management Discussion and Analysis describing the Company's objective, projections, estimates, expectations may be "forward-looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include, among others, economic conditions affecting demand / supply and price conditions in the domestic and overseas markets in which the Company operates changes in the Government regulations, tax laws and other statutes and incidental factors.

AUDITORS' CERTIFICATE ON CORPORATE GOVERNANCE

To
The Members of **RAASI REFRACTORIES LIMITED**

We have examined the compliance of conditions of Corporate Governance by RAASI REFRACTORIES Limited, for the year ended 31stMarch, 2018 as stipulated in Regulations 17 to 27 and clauses (b) to (i) of sub-regulation (2) of regulation 46 and para C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (collectively referred to as "SEBI Listing Regulations, 2015").

The compliance of these conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to a review of the procedures and implementation thereof, adopted by the Company for ensuring the compliance with the conditions of the Corporate Governance as stipulated in the said Clause. It is neither an Audit nor an expression of opinion on the Financial Statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us and the representations made by the Directors and the management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT

To

The Members of Raasi Refractories Limited

Report on the standalone Financial Statements

Opinion

We have audited the accompanying Standalone financial statements of **M/s. Raasi Refractories Limited** ("**the Company**") which comprises the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss, statement of cash flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018, and profit, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibility of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure A, a statement on matters specified in the Paragraph 3 and 4 of the order.

As required by Section 143(3) of the Act, we report that:

We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- a. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- b. The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- c. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- d. On the basis of the written representations received from the directors as on 31st March, 2018 taken on record by the Board of Directors, one of the directors is disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.
- e. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, we give in the Annexure – B to the report.
- f. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The details of pending litigations which have a bearing on its financial position in its financial statements and given in the Notes to Accounts to the Financial Statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any.
 - iii. The company does not have any amounts that are needed to be transferred to the Investor Education and Protection Fund.

ANNEXURE-B TO THE AUDITORS REPORT**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the act”)**

We have audited the internal financial controls over financial reporting of Raasi Refractories Limited (“the company”) as of 31 March 2018 in conjunction with our audit of the standalone financial statements of the company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The company’s management is responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Company considering

the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business including adherence to company’s policies the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial controls over Financial Reporting (“the Guidance Note”) and the standards on Auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the company’s internal financial controls system over financial reporting.

Meaning of Internal Financial controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transaction and dispositions of the assets of the company; (2)

provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principle, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial reporting issued by the institute of Chartered Accountants of India.

Note Particulars**1. Significant Accounting Policies****1.1 Basis of Accounting and preparation of financial statement**

The Financial Statements are prepared in accordance with Generally Accepted Accounting Principles (GAAP) under the Historical Cost Convention on the accrual basis and on a going concern basis. GAAP comprises mandatory accounting standards as prescribed by the Companies (Accounts) Rules, 2014, the provision of Companies Act, 2013 and Guidelines issued by the Securities and Exchange Board of India (SEBI).

1.2 Use of Estimates

The preparation of financial statements requires management to make certain estimates and assumptions that effect the amount reported in the financial statements and notes thereto. Differences between actual results and estimates are recognized in the period in which they materialize.

1.3 Inventories

Inventories are valued at the lower of cost (on FIFO / weighted average basis) and the net realisable value. Cost includes all charges in bringing the goods to the point of sale. Work-in-progress and finished goods include appropriate proportion of overheads and, where applicable, GST.

1.4 Fixed Assets

All fixed assets are stated at cost less accumulated depreciation. Cost is inclusive of freight, duties, levies and any Cost directly attributable to bringing the assets to their present location and working conditions for intended use.

1.5 Depreciation/Amortization

Depreciation has been provided on the straight-line method as per the rates prescribed in Schedule II to the Companies Act, 2013.

1.6 Investments

Investments are adjusted against the dues to the parties

1.7 Revenue Recognition

Revenues/Incomes and cost/expenditure are generally accounted on accrual basis as they are earned or incurred except in case of significant uncertainties. Income from sale of goods is recognised at the point of dispatch from the Factory godown. Sale value includes Excise duty and Freight wherever applicable.

1.8 Taxes on income

Deferred Tax is not considered as in Earlier years due to insignificant effect on the Profit/Loss for the Year

1.9 Provision, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statement.

1.10 Employee Benefits

(a) Short term employee benefit obligations are estimated and provided for.

(b) Post employment benefits and other long term employee benefits:

Defined Contribution plans :

Company's contribution to provident fund and other funds are determined under the relevant schemes and/or statute and charged to revenue.

Company's liability towards gratuity is determined at each balance sheet date and provided for.

1.11 Borrowing Cost

Borrowing costs relating to acquisition or construction of fixed assets which takes substantial period of time to get ready for its intended use are included in the cost of fixed assets to the extent they relate to the period till such assets are ready to be put to use. Other Borrowing costs are recognized as an expense in the year in which they are incurred.
